Subject: Fidelity Disruptive Medicine ETF - Liquidation/Cash Settlement/Acceleration of Expirations
Option Symbol: FMED
Date: 11/23/2026

On October 14, 2026, Fidelity Investments announced that it will terminate and subsequently liquidate the Fidelity Disruptive Medicine ETF (FMED). The last day of trading for FMED shares on Nasdaq will be November 12, 2026.

During the time between market close on November 12, 2026, and November 19, 2026 (the "Liquidation Date"), shareholders will be unable to dispose of their shares on Nasdaq, and there may not be a trading market for FMED shares. Each shareholder of record of FMED on the Liquidation Date will receive proceeds equal to the aggregate net asset value of their full and fractional shares at the time of liquidation.

OCC has been informed that the liquidation proceeds were distributed to FMED shareholders on November 23, 2026, in the amount of $32.82566 per FMED share.

Contract Adjustment

The option symbol FMED will not change.

Date: November 23, 2026

New Deliverable Per Contract: $3,282.57 Cash ($32.82566 x 100)

FMED options, which were subject to delayed settlement from November 13, 2026, through November 20, 2026, will no longer be subject to delayed settlement, effective November 23, 2026. Settlement in FMED options will take place through OCC's cash settlement system.

Settlement will be accomplished by payment of the difference between the extended strike amount and the cash deliverable.

Acceleration of Expirations

Pursuant to OCC Rule 807, equity stock option contracts whose deliverables are adjusted to call for cash-only delivery will be subject to an acceleration of the expiration dates for outstanding option series. (See OCC Information Memo 23707) Additionally, the exercise by exception (ex by ex) threshold for expiring series will be $.01 in all account types.

All series of Fidelity Disruptive Medicine ETF options whose expiration dates are after 12-18-2026 will have their expiration dates advanced to 12-18-2026. Expiration dates occurring before 12-18-2026 (e.g., Flex options) will remain unchanged.

All Fidelity Disruptive Medicine ETF options will utilize a $.01 exercise threshold.

Option Symbol: FMED
Existing Expiration: All months
New expiration date: 12-18-2026

Existing American-style Fidelity Disruptive Medicine ETF options remain exercisable at the option of the holder prior to their expiration. Exercised options will continue to settle in one business day.
