... cash dividends or distributions (regardless of size) by the issuer of the underlying security which the Corporation believes to have been declared pursuant to a policy or practice of paying such dividends or distributions on a quarterly or other regular basis will, as a general rule, be deemed to be ordinary cash dividends or distributions within the meaning of paragraph (c) of Section 11A.

For additional guidance regarding cash dividend adjustment policies, please see OCC Information Memos #30050 and #31714.
