#47672

DATE: OCTOBER 2, 2020

SUBJECT: ETFC OPTIONS - EXPIRATION PRICING CONSIDERATION

ETFC (adjusted E*TRADE Financial Corporation options) will be subject to special pricing consideration in expiration processing on October 2, 2020. The pricing consideration is due to the undetermined cash in lieu of fractional shares amount included in the option deliverable of ETFC as indicated below. These options will continue to be subject to normal exercise based on customary exercise thresholds in OCC's Ex-by-Ex processing.

MEMBERS SHOULD ADVISE THEIR CUSTOMERS TO TAKE THE FOLLOWING CONSIDERATIONS INTO ACCOUNT IN DECIDING TO EXERCISE, OR NOT TO EXERCISE, THESE OPTIONS.

ETFC

ETFC options are adjusted E*TRADE Financial Corporation options, adjusted October 2, 2020 (see OCC Information Memo #47669). The deliverable of ETFC options is:

NEW DELIVERABLE

PER CONTRACT: 1) 104 Morgan Stanley (MS) Common Shares
 2) Cash in lieu of 0.32 fractional MS shares

As of October 2, 2020, the ETFC Exchange Agent has not determined the price to be used to determine the cash in lieu amount.

For purposes of calculating an ETFC price for use in expiration processing, OCC will use the following formula:

$$\text{ETFC} = 1.0432 \text{ (MS)}$$

For example, if MS closes at 47.26, the ETFC price would be:

$$\text{ETFC} = 1.0432 (47.26) = 49.30$$

This formula includes an estimate for the value of the cash in lieu amount and not the actual amount applicable in the merger.

ALL CLEARING MEMBERS ARE REQUESTED TO IMMEDIATELY ADVISE ALL BRANCH OFFICES AND CORRESPONDENTS ON THE ABOVE.
