Subject: Stellantis N.V. - Further Adjustment
Option Symbol: STLA1
Date: 03/15/2021

Adjusted Stellantis N.V. options were previously adjusted on January 14, 2021 and again on January 19, 2021 (See OCC Information Memo's #48241 and #48175). The new deliverable became 1) 100 Stellantis N.V. (STLA) Common Shares, and 2) \$190.28 Cash.

Stellantis N.V. (STLA) has announced a distribution to its shareholders consisting of cash from the proceeds of the sale of Faurecia S.E. ordinary shares in October of 2020, at a rate of approximately Euro 0.096677 payable in U.S. Dollars, calculated as described in the Information Statement, dated February 19, 2021, for every 1.0 STLA Common Share held, and Faurecia S.E. Ordinary Shares, at a rate of approximately 0.017029 Faurecia S.E. Ordinary Share for every 1.0 STLA Common Share held.

Faurecia S.E. shares will not be listed on a U.S. exchange and are not eligible for clearing and settlement through DTC or on a register maintained in the United States. Shareholders who are entitled to receive Faurecia S.E. ordinary shares and hold STLA common shares in a Euroclear France participant account, Euroclear France Stellantis sub register managed by SGSS, or Monte Titoli participant account, will receive those shares through the intermediary or nominee through which they currently hold STLA common shares. Shareholders who are entitled to receive Faurecia S.E. ordinary shares and hold STLA common shares in the Italian segment of Stellantis's loyalty share register or the French segment of Stellantis's loyalty share register, will receive Faurecia S.E. shares through Computershare S.p.A. (Italy) in their elected Monte Titoli participant account or in Faurecia's register managed by CACEIS, respectively.

STLA shareholders who hold their STLA common shares in a DTC participant account or directly on the Stellantis share register, will need to provide details of a securities account with an intermediary participating in Euroclear France on which the Faurecia S.E. ordinary shares may be delivered. STLA will make available an online election facility to make such election. If a STLA shareholder fail to make such election in a timely manner, STLA will be unable to deliver any Faurecia S.E. ordinary shares to the shareholder, and the Faurecia S.E. ordinary shares which the shareholder would otherwise be entitled to receive will be sold. STLA shareholders who fail to make such election in a timely manner, will receive a pro rata portion of the net proceeds of such sale. There is no assurance regarding whether and when any such sale will be carried out or the proceeds will be distributed, the price per share that may be realized in the market, or the transaction costs that will be incurred.

The record date of the distribution is March 16, 2021. The payable date for the Faurecia S.E. portion of the distribution is April 1, 2021. The payable date for the cash portion of the distribution is March 22, 2021. The New York Stock Exchange (NYSE) has set March 15, 2021 as the ex-distribution date for this distribution.

Adjusted STLA1 options must be further adjusted to reflect the description as described below.

Exercise Consideration – On March 15, 2021 STLA1 options will be further adjusted, and the deliverable for STLA1 will reflect the additional amount of cash distributed to shareholders who failed to make a valid election. STLA1 Call option holders who do not wish to receive the distribution in the form distributed to non-electing shareholders must exercise their options in sufficient time in advance of the contract adjustment to observe all conditions of the election. In all cases, it is the sole responsibility of persons holding call options seeking to participate in the election to determine when to exercise their options and to comply with all terms and conditions of the election.
