FOR SECURE  
MARKETS**

**#49771**

**Date:** December 16, 2021

**Subject:** SSSS3 Options - Expiration Pricing Consideration

SSSS3 (adjusted SuRo Capital Corporation options) will be subject to special pricing consideration in expiration processing on December 17, 2021. The pricing consideration is due to the undetermined number of SSSS Common Shares and cash in lieu of fractional shares amount included in the option deliverable of SSSS3 as indicated below. These options will continue to be subject to normal exercise based on customary exercise thresholds in OCC's Ex-by-Ex processing.

MEMBERS SHOULD ADVISE THEIR CUSTOMERS TO TAKE THE FOLLOWING CONSIDERATIONS INTO ACCOUNT IN DECIDING TO EXERCISE, OR NOT TO EXERCISE, THESE OPTIONS.

**SSSS3**

SSSS3 options are adjusted SuRo Capital Corporation options, adjusted November 16, 2021 (see OCC Information Memo #49526). The deliverable of SSSS3 options is:

**NEW DELIVERABLE**

**PER CONTRACT:**

- 1) 100 SuRo Capital Corporation (SSSS) Common Shares
- 2) An additional number of SSSS Common Shares reflecting the stock dividend received by non-electing SSSS shareholders, expected to be valued at \$200.00 (\$2.00 dividend x 100)
- 3) Cash in lieu of fractional SSSS shares, if any

As of December 16, 2021, the SSSS Distribution Agent has not determined the additional number of shares or the price to be used to determine the cash in lieu amount, if any.

For purposes of calculating an SSSS3 price for use in expiration processing, OCC will use the following formula:

$$\text{SSSS3} = \text{SSSS} + 2.00$$

For example, if SSSS closes at 11.74, the SSSS3 price would be:

$$\text{SSSS3} = 11.74 + 2.00 = 13.74$$

This formula includes an estimate for the stock dividend and not the actual number of shares applicable in the stock dividend.

**ALL CLEARING MEMBERS ARE REQUESTED TO IMMEDIATELY ADVISE ALL BRANCH OFFICES AND CORRESPONDENTS ON THE ABOVE.**
