**Subject:** Enhancements to MyOCC.com Members Portal - Reminder

On Saturday, July 9, 2022, OCC plans to launch an enhanced version of the MyOCC.com Members Portal.

Upon first logging in, members and market participants will notice a new homepage and menu navigation, which resembles Theocc.com. Please note, these enhancements will not affect existing MyOCC.com URLs, which will remain unchanged. Additionally, the Members Portal will continue to be accessible via the link within the menu navigation on the Theocc.com.

Ahead of the launch of the enhanced Members Portal, users are encouraged to become familiar with these changes. To access the test and training environment, please visit *MyOCC > Alt Environments > MyOCC Training*.

Below, are a few screenshots of the new MyOCC.com homepage and navigation.

Please note, due to testing configuration limitations, the following functionality will be unavailable to test in the training environment:

- Manage My Account Profile
- ENCORE Access Request Form
- Risk Dashboard
