**Subject:** Resolute Forest Products Inc. – Anticipated Cash Settlement  
Option Symbols: RFP/1RFP  
Date: ???

On October 31, 2022, Shareholders of Resolute Forest Products Inc. (RFP) will vote concerning the proposed merger with Domtar Corporation, an affiliate of Karta Halten B.V. and Paper Excellence B.V. If the merger is approved and consummated, each existing RFP Common Share will be converted into the right to receive \$20.50 net cash per share, plus one non-transferable Contingent Value Right (“CVR”).

Note: The CVR represents a non-transferable contractual right to receive an additional payment. The adjusted RFP/1RFP option deliverable will not include the non-transferable CVRs.

**Exercise Consideration** – RFP/1RFP options will not call for the delivery of the CVRs. Call option holders who wish to receive the CVRs should exercise their options in sufficient time in advance of the contract adjustment. In all cases, it is the sole responsibility of persons holding call options seeking to receive the underlying securities to determine when to exercise their options.

#### **Contract Adjustment**

**Date:** Effective the opening of the business day after the merger is consummated.  
Contract adjustment is expected to occur in the first half of 2023.

**New Deliverable**  
**Per Contract:** \$2,050.00 Cash (\$20.50 x 100)

Settlement in RFP/1RFP options will take place through OCC’s cash settlement system. Settlement will be accomplished by payment of the difference between the extended strike amount and the cash deliverable.

#### **Acceleration of Expirations**

Pursuant to OCC Rule 807, equity stock option contracts whose deliverables are adjusted to call for cash-only delivery will be subject to **an acceleration of the expiration dates for outstanding option series** (See OCC Information Memo 23988).
