#51784

Date: January 18, 2023

Subject: Brigham Minerals, Inc. – Cash In Lieu Settlement
Adjusted Option Symbol: STR2

Brigham Minerals, Inc. options were adjusted on December 29, 2022 (See OCC Information Memo #51683). The new deliverable became 1) 113 Sitio Royalties Corporation (STR) Class A Common Shares, and 2) Cash in lieu of 0.3 fractional STR shares. Only settlement of the cash portion of STR2 options exercise/assignment activity was subject to delayed settlement.

OCC has been informed that a price of \$25.169422 per whole STR share will be used to determine the cash in lieu amount. Accordingly, the cash in lieu amount is:

$$0.3 \times \$25.169422 = \$7.55 \text{ per STR2 Contract}$$

Now that the exact cash in lieu amount has been determined, OCC will require Put exercisers and Call assignees, during the period of December 29, 2022 through January 18, 2023, to deliver the appropriate cash amount.

The cash in lieu of fractional share portion of the option deliverable remains fixed and does not vary with price changes of any security.

Terms of the STR2 options are as follows:

New Deliverable

Per Contract: 1) 113 Sitio Royalties Corporation (STR) Class A Common Shares
2) \$7.55 Cash

Strike Prices: Unchanged

CUSIP: STR: 82983N108

Multiplier: 100 (i.e., a premium of 1.50 yields \$150)

Settlement

The STR component of STR2 exercise/assignment activity from December 29, 2022 through January 17, 2023, has settled through National Security Clearing Corporation (NSCC). The \$7.55 cash amount will be settled by OCC.

Pricing

The underlying price for STR2 will be determined as follows:

$$\text{STR2} = 1.13 (\text{STR}) + 0.0755$$

For example, if STR closes at 27.76, the STR2 price would be calculated as follows:

$$\text{STR2} = 1.13 (27.76) + 0.0755 = 31.44$$

Disclaimer

This Information Memo provides an unofficial summary of the terms of corporate events affecting listed options or futures prepared for the convenience of market participants. OCC accepts no responsibility for the accuracy or completeness of the summary, particularly for information which may be relevant to investment decisions. Option or futures investors should independently ascertain and evaluate all information concerning this corporate event(s).

The determination to adjust options and the nature of any adjustment is made by OCC pursuant to OCC By-Laws, Article VI, Sections 11 and 11A. The determination to adjust futures and the nature of any adjustment is made by OCC pursuant to OCC By-Laws, Article XII, Sections 3, 4, or 4A, as applicable. For both options and futures, each adjustment decision is made on a case by case basis. Adjustment decisions are based on information available at the time and are subject to change as additional information becomes available or if there are material changes to the terms of the corporate event(s) occasioning the adjustment.
