#51785

Date: January 18, 2023

Subject: Adjusted General Electric Company – Cash In Lieu Settlement
Adjusted Option Symbols: GE2/1GE2/2GE2

Adjusted General Electric Company options were adjusted on January 4, 2023 (See OCC Information Memo #51622). The new deliverable became 1) 100 General Electric Company (GE) Common Shares, 2) 33 GE HealthCare Technologies Inc. (GEHC) Common Shares, and 3) Cash in lieu of approximately 0.3333 fractional GEHC shares. Only settlement of the cash portion of GE2/1GE2/2GE2 options exercise/assignment activity was subject to delayed settlement.

OCC has been informed that a price of \$58.85204 per whole GEHC share will be used to determine the cash in lieu amount at a rate of 0.33333333. Accordingly, the cash in lieu amount is:

$$0.33333333 \times \$58.85204 = \$19.62 \text{ per GE2/1GE2/2GE2 Contract}$$

Now that the exact cash in lieu amount has been determined, OCC will require Put exercisers and Call assignees, during the period of January 4, 2023 through January 18, 2023, to deliver the appropriate cash amount.

The cash in lieu of fractional share portion of the option deliverable remains fixed and does not vary with price changes of any security.

Terms of the GE2/1GE2/2GE2 options are as follows:

New Deliverable

Per Contract:

- 1) 100 General Electric Company (GE) Common Shares
- 2) 33 GE HealthCare Technologies Inc. (GEHC) Common Shares
- 3) \$19.62 Cash

Strike Prices: Unchanged

CUSIP: GE: 369604301
GEHC: 36266G107

Multiplier: 100 (i.e., a premium of 1.50 yields \$150)

Settlement

The GE and GEHC components of GE2/1GE2/2GE2 exercise/assignment activity from January 4, 2023 through January 17, 2023, have settled through National Security Clearing Corporation (NSCC). The \$19.62 cash amount will be settled by OCC.

Pricing

The underlying price for GE2/1GE2/2GE2 will be determined as follows:

$$GE2 = GE + 0.33 (GEHC) + 0.1962$$

For example, if GE closes at 80.49 and GEHC closes at 63.33, the GE2/1GE2/2GE2 price would be calculated as follows:

$$GE2 = 80.49 + 0.33 (63.33) + 0.1962 = 101.59$$

Disclaimer

This Information Memo provides an unofficial summary of the terms of corporate events affecting listed options or futures prepared for the convenience of market participants. OCC accepts no responsibility for the accuracy or completeness of the summary, particularly for information which may be relevant to investment decisions. Option or futures investors should independently ascertain and evaluate all information concerning this corporate event(s).

The determination to adjust options and the nature of any adjustment is made by OCC pursuant to OCC By-Laws, Article VI, Sections 11 and 11A. The determination to adjust futures and the nature of any adjustment is made by OCC pursuant to OCC By-Laws, Article XII, Sections 3, 4, or 4A, as applicable. For both options and futures, each adjustment decision is made on a case by case basis. Adjustment decisions are based on information available at the time and are subject to change as additional information becomes available or if there are material changes to the terms of the corporate event(s) occasioning the adjustment.
