Subject: VanEck Digital Assets Mining ETF – Anticipated
Liquidation/Anticipated Cash Settlement
Option Symbol: DAM
Date: ???

On April 13, 2023, VanEck ETF Trust announced it will close and subsequently liquidate the VanEck Digital Assets Mining ETF (DAM). DAM shares will stop trading on NASDAQ after market close on April 24, 2023.

On or about May 1, 2023, DAM shareholders who have not previously redeemed or sold their shares, will receive a liquidating distribution of cash equal to the amount of the net asset value of their shares.

Contract Adjustment

The option symbol DAM will not change.

Date: ???

**New Deliverable
Per Contract:** 100 x the net asset value in cash paid per DAM share, less any applicable transaction costs, pursuant to the liquidation

Note: The determination to include any distributions, if any, in the contract adjustment will be made by OCC on a case-by-case basis.

Settlement: DAM exercise and assignment activity will be subject to delayed settlement, effective April 25, 2023, until the amount of cash paid per DAM share in the liquidation is determined.

Once the final cash amount to be included in the DAM deliverable is determined, settlement in DAM options will take place through OCC's cash settlement system. Settlement will be accomplished by payment of the difference between the extended strike amount and the cash deliverable.

Acceleration of Expirations

Pursuant to OCC Rule 807, equity stock option contracts whose deliverables are adjusted to call for cash-only delivery will be subject to **an acceleration of the expiration dates for outstanding option series** (See OCC Information Memo 23988).
