Subject: Avaya Holdings Corporation – Contract Adjustment/Acceleration of Expirations
Option Symbol: AVYQAQ
Date: 05/02/2023

On March 22, 2023, the United States Bankruptcy Court for the Southern District of Texas Houston Division confirmed the Joint Prepackaged Plan of Reorganization ("Plan") of Avaya Inc. (AVYQAQ) and its Debtor Affiliates. The Plan will become effective before the open on May 2, 2023, and AVYQAQ shares will be canceled.

Contract Adjustment

Effective May 2, 2023, existing AVYQAQ options are adjusted to no longer call for the delivery of AVYQAQ shares upon exercise.

The option symbol AVYQAQ will not change.

In settlement of AVYQAQ exercise/assignment activity, an AVYQAQ put exerciser (or call assignee) will receive a cash payment of the full aggregate strike price amount on the exercise settlement date. An AVYQAQ put assignee (or call exercise) will pay this amount on the exercise settlement date. Settlement will take place through OCC's cash settlement system on the second business day after exercise.

Since AVYQAQ options are American-style, they are exercisable at the election of the holder. Expiration processing for AVYQAQ options will take place in the normal fashion, including automatic exercise thresholds.

Acceleration of Expirations

Pursuant to OCC Rule 807, equity stock option contracts whose deliverables are adjusted to call for cash-only delivery will be subject to an acceleration of the expiration dates for outstanding option series. (See OCC Information Memo 23707) Additionally, the exercise by exception (ex by ex) threshold for expiring series will be \$.01 in all account types.

All series of Avaya Holdings Corporation options whose expiration dates are after 5-19-2023 will have their expiration dates advanced to 5-19-2023. Expiration dates occurring before 5-19-2023 (e.g., Flex options) will remain unchanged.

All Avaya Holdings Corporation Limited options will utilize a \$.01 exercise threshold.

Option Symbol: AVYAQ

Existing Expiration: All months

New expiration date: 5-19-2023

Existing American-style Avaya Holdings Corporation options remain exercisable at the option of the holder prior to their expiration. Exercised options will continue to settle in two business days.

Disclaimer

This Information Memo provides an unofficial summary of the terms of corporate events affecting listed options or futures prepared for the convenience of market participants. OCC accepts no responsibility for the accuracy or completeness of the summary, particularly for information which may be relevant to investment decisions. Option or futures investors should independently ascertain and evaluate all information concerning this corporate event(s).

The determination to adjust options and the nature of any adjustment is made by OCC pursuant to OCC By-Laws, Article VI, Sections 11 and 11A. The determination to adjust futures and the nature of any adjustment is made by OCC pursuant to OCC By-Laws, Article XII, Sections 3, 4, or 4A, as applicable. For both options and futures, each adjustment decision is made on a case by case basis. Adjustment decisions are based on information available at the time and are subject to change as additional information becomes available or if there are material changes to the terms of the corporate event(s) occasioning the adjustment.

ALL CLEARING MEMBERS ARE REQUESTED TO IMMEDIATELY ADVISE ALL BRANCH OFFICES AND CORRESPONDENTS ON THE ABOVE.
