Background

On September 7, 2023, Shareholders of Surface Oncology, Inc. (SURF) will vote concerning the proposed merger with Coherus BioSciences, Inc. (CHRS). If the merger is approved and consummated, each

existing SURF Common Share will be converted into the right to receive a number of Coherus BioSciences, Inc. (CHRS) Common Shares equal to the exchange ratio, calculated as described in the Proxy, plus one non-transferable Contingent Value Right ("CVR"). Cash will be paid in lieu of fractional CHRS shares.

NOTE: The CVR represents a non-transferable contractual right to receive an additional payment. The adjusted CHRS1 option deliverable will not include the non-transferable CVRs.

Exercise Consideration – SURF options will not be adjusted to call for the delivery of the non-transferable CVRs. Call holders who wish to ensure entitlement to the Contingent Value Rights must exercise their options in sufficient time to become a holder of record to receive the non-transferable CVRs. In all cases, it is the sole responsibility of persons holding call options seeking entitlement to the non-transferable CVRs to determine when to exercise their options.
