Subject: KraneShares Emerging Markets Healthcare Index ETF – Anticipated
Liquidation/Anticipated Cash Settlement
Option Symbol: KMED
Date: ???

On October 3, 2023, KraneShares Trust announced it will liquidate the KraneShares Emerging Markets Healthcare Index ETF (KMED). The last day of trading of KMED shares on the New York Stock Exchange will be October 18, 2023. On or around October 27, 2023, the fund will distribute to its remaining shareholders a liquidating cash distribution equal to the net asset value of the shareholders' shares.

Contract Adjustment

The option symbol KMED will not change.

Date: ???

**New Deliverable
Per Contract:** 100 x the net asset value in cash paid per KMED share, less any applicable transaction costs, pursuant to the liquidation

Note: The determination to include any distributions, if any, in the contract adjustment will be made by OCC on a case-by-case basis

Settlement: KMED options will be subject to delayed settlement beginning October 19, 2023, until the amount of cash paid per KMED share in the liquidation is determined.

Once the final cash amount to be included in the KMED deliverable is determined, settlement in KMED options will take place through OCC's cash settlement system. Settlement will be accomplished by payment of the difference between the extended strike amount and the cash deliverable.

Acceleration of Expirations

Pursuant to OCC Rule 807, equity stock option contracts whose deliverables are adjusted to call for cash-only delivery will be subject to **an acceleration of the expiration dates for outstanding option series** (See OCC Information Memo 23988).
