#53704

Date: December 07, 2023

Subject: Adjusted Orbital Infrastructure Group, Inc - Further
Adjustment/Acceleration of Expirations
Adjusted Option Symbol: OIGB1
Date: 12/07/2023

Adjusted Orbital Infrastructure Group, Inc. options were adjusted on April 21, 2023 (See OCC Information Memo #52289). The new deliverable became 3 Orbital Infrastructure Group, Inc. Common Shares.

On November 28, 2023, the United States Bankruptcy Court for the Southern District of Texas Houston Division confirmed the Second Amended Combined Disclosure Statement and Joint Chapter 11 Plan ("Plan") of Liquidation of Orbital Infrastructure Group, Inc. (OIGBQ). The Plan became effective on December 7, 2023, and all OIGBQ shares were canceled.

Adjusted OIGB1 options will be further adjusted to reflect the bankruptcy as described below:

Contract Adjustment

Effective December 7, 2023, existing OIGB1 options are adjusted to no longer call for the delivery of OIGBQ shares upon exercise.

The option symbol OIGB1 will not change.

In settlement of OIGB1 exercise/assignment activity, an OIGB1 put exerciser (or call assignee) will receive a cash payment of the full aggregate strike price amount on the exercise settlement date. An OIGB1 put assignee (or call exercise) will pay this amount on the exercise settlement date. Settlement will take place through OCC's cash settlement system on the second business day after exercise.

Since OIGB1 options are American-style, they are exercisable at the election of the holder. Expiration processing for OIGB1 options will take place in the normal fashion, including automatic exercise thresholds.

Acceleration of Expirations

Pursuant to OCC Rule 807, equity stock option contracts whose deliverables are adjusted to call for cash-only delivery will be subject to an acceleration of the expiration dates for outstanding option series. (See

OCC Information Memo 23707) Additionally, the exercise by exception (ex by ex) threshold for expiring series will be \$.01 in all account types.

All series of Orbital Infrastructure Group, Inc. options whose expiration dates are after 12-15-2023 will have their expiration dates advanced to 12-15-2023. Expiration dates occurring before 12-15-2023 (e.g., Flex options) will remain unchanged.

All Orbital Infrastructure Group, Inc. options will utilize a \$.01 exercise threshold.

Option Symbol: OIGB1

Existing Expiration: All months

New expiration date: 12-15-23

Existing American-style Orbital Infrastructure Group, Inc. options remain exercisable at the option of the holder prior to their expiration. Exercised options will continue to settle in two business days.

Disclaimer

This Information Memo provides an unofficial summary of the terms of corporate events affecting listed options or futures prepared for the convenience of market participants. OCC accepts no responsibility for the accuracy or completeness of the summary, particularly for information which may be relevant to investment decisions. Option or futures investors should independently ascertain and evaluate all information concerning this corporate event(s).

The determination to adjust options and the nature of any adjustment is made by OCC pursuant to OCC By-Laws, Article VI, Sections 11 and 11A. The determination to adjust futures and the nature of any adjustment is made by OCC pursuant to OCC By-Laws, Article XII, Sections 3, 4, or 4A, as applicable. For both options and futures, each adjustment decision is made on a case by case basis. Adjustment decisions are based on information available at the time and are subject to change as additional information becomes available or if there are material changes to the terms of the corporate event(s) occasioning the adjustment.

ALL CLEARING MEMBERS ARE REQUESTED TO IMMEDIATELY ADVISE ALL BRANCH OFFICES AND CORRESPONDENTS ON THE ABOVE.
