Subject: Invitae Corporation - Contract Adjustment/Acceleration of Expirations
Option Symbol: NVTAQ
Date: 08/07/2024

On July 22, 2024, the United States Bankruptcy Court District of New Jersey confirmed the Second Amended Joint Plan ("Plan") of Invitae Corporation (NVTAQ). The Plan became effective on August 7, 2024, and NVTAQ shares were canceled.

Contract Adjustment

Effective August 7, 2024, existing NVTAQ options are adjusted to no longer call for the delivery of NVTAQ shares upon exercise.

The option symbol NVTAQ will not change.

In settlement of NVTAQ exercise/assignment activity, an NVTAQ put exerciser (or call assignee) will receive a cash payment of the full aggregate strike price amount on the exercise settlement date. An NVTAQ put assignee (or call exercise) will pay this amount on the exercise settlement date. Settlement will take place through OCC's cash settlement system on the business day after exercise.

Since NVTAQ options are American-style, they are exercisable at the election of the holder. Expiration processing for NVTAQ options will take place in the normal fashion, including automatic exercise thresholds.

Acceleration of Expirations

Pursuant to OCC Rule 807, equity stock option contracts whose deliverables are adjusted to call for cash-only delivery will be subject to an acceleration of the expiration dates for outstanding option series. (See OCC Information Memo 23707) Additionally, the exercise by exception (ex by ex) threshold for expiring series will be \$.01 in all account types.

All series of Invitae Corporation options whose expiration dates are after 08-16-2024 will have their expiration dates advanced to 8-16-2024. Expiration dates occurring before 08-16-2024 (e.g., Flex options) will remain unchanged.

All Invitae Corporation options will utilize a \$.01 exercise threshold.

Option Symbol: NVTAQ
Existing Expiration: All months
New expiration date: 08-16-2024

Existing American-style Invitae Corporation options remain exercisable at the option of the holder prior to their expiration. Exercised options will continue to settle in one business day.
