Subject: KraneShares CICC China 5G and Semiconductor Index ETF -
Anticipated Liquidation/Anticipated Cash Settlement
Option Symbol: KFVG
Date: ???

On August 27, 2024, KraneShares Trust announced it will liquidate the KraneShares CICC China 5G and Semiconductor Index ETF (KFVG). The last day of trading of KFVG shares on the NYSE Arca, Inc. will be September 19, 2024. KFVG holders who still hold shares of the Fund on September 27, 2024 ("Liquidation Date") will receive a liquidating distribution of cash equal to the net asset value of their shares. The proceeds of the liquidation are currently scheduled to be sent to shareholders on or about the Liquidation Date.

Contract Adjustment

The option symbol KFVG will not change.

Date: Anticipated to occur on or around September 27, 2024

**New Deliverable
Per Contract:** 100 x net asset value in cash paid per KFVG share, less any applicable transactions costs, pursuant to the liquidation.

Note: The determination to include any distributions, if any, in the contract adjustment will be made by OCC on a case-by-case basis.

Settlement: KFVG exercise and assignment activity will be subject to delayed settlement, effective September 20, 2024, until the amount of cash paid per KFVG share in the liquidation is determined.

Once the final cash amount to be included in the KFVG deliverable is determined, settlement in the KFVG options will take place through OCC's cash settlement system. Settlement will be accomplished by payment of the difference between the extended strike amount and the cash deliverable.

Acceleration of Expirations

Pursuant to OCC Rule 807, equity stock option contracts whose deliverables are adjusted to call for cash-only delivery will be subject to an **acceleration of the expiration dates for outstanding option series** (See OCC Information Memo 23988).
