Subject: KraneShares Electrification Metals Strategy ETF - Anticipated
Liquidation/Anticipated Cash Settlement
Option Symbol: KMET
Date: ???

On August 27, 2024, KraneShares Trust announced it will liquidate the KraneShares Electrification Metals Strategy ETF (KMET). The last day of trading of KMET shares on the NYSE Arca, Inc. will be September 19, 2024. KMET holders who still hold shares of the Fund on September 27, 2024 (“Liquidation Date”) will receive a liquidating distribution of cash equal to the net asset value of their shares. The proceeds of the liquidation are currently scheduled to be sent to shareholders on or about the Liquidation Date.

Contract Adjustment

The option symbol KMET will not change.

Date: Anticipated to occur on or around September 27, 2024

**New Deliverable
Per Contract:** 100 x net asset value in cash paid per KMET share, less any applicable transactions costs, pursuant to the liquidation.

Note: The determination to include any distributions, if any, in the contract adjustment will be made by OCC on a case-by-case basis.

Settlement: KMET exercise and assignment activity will be subject to delayed settlement, effective September 20, 2024, until the amount of cash paid per KMET share in the liquidation is determined.

Once the final cash amount to be included in the KMET deliverable is determined, settlement in the KMET options will take place through OCC’s cash settlement system. Settlement will be accomplished by payment of the difference between the extended strike amount and the cash deliverable.

Acceleration of Expirations

Pursuant to OCC Rule 807, equity stock option contracts whose deliverables are adjusted to call for cash-only delivery will be subject to **an acceleration of the expiration dates for outstanding option series** (See OCC Information Memo 23988).
