Subject: VanEck Ethereum Strategy ETF - Anticipated Liquidation/Anticipated Cash Settlement
Option Symbol: EFUT
Date: ???

On September 6, 2024, VanEck ETF Trust announced it will liquidate the VanEck Ethereum Strategy ETF (EFUT). The last day of trading of EFUT shares on the CBOE will be September 16, 2024. EFUT holders who still hold shares of the Fund on September 23, 2024 (“Liquidation Date”) will receive a liquidating distribution of cash equal to the net asset value of their shares. The proceeds of the liquidation are currently scheduled to be sent to shareholders on or about the Liquidation Date.

Contract Adjustment

The option symbol EFUT will not change.

Date: Anticipated to occur on or around September 23, 2024

New Deliverable Per Contract: 100 x net asset value in cash paid per EFUT share, less any applicable transactions costs, pursuant to the liquidation.

Note: The determination to include any distributions, if any, in the contract adjustment will be made by OCC on a case-by-case basis.

Settlement: EFUT exercise and assignment activity will be subject to delayed settlement, effective September 17, 2024, until the amount of cash paid per EFUT share in the liquidation is determined.

Once the final cash amount to be included in the EFUT deliverable is determined, settlement in the EFUT options will take place through OCC’s cash settlement system. Settlement will be accomplished by payment of the difference between the extended strike amount and the cash deliverable.

Acceleration of Expirations

Pursuant to OCC Rule 807, equity stock option contracts whose deliverables are adjusted to call for cash-only delivery will be subject to **an acceleration of the expiration dates for outstanding option series** (See OCC Information Memo 23988).
