Subject: ASLN Pharmaceuticals Limited – ADR Termination/Anticipated Cash Settlement
Option Symbol: ASLN
Date: ???

JPMorgan Chase Bank, N.A. (“Depositary”) has announced the termination of the Amended and Restated Deposit Agreement dated as of September 8, 2020 (“Deposit Agreement”) among Aslan Pharmaceuticals Limited (ASLN), the Depositary, and the holders of American Depositary Shares (“ADSs”), thereby terminating the ASLN ADS program. The termination will be effective on October 24, 2024 (the “Termination Date”).

The ASLN ADS program is being terminated in accordance with the Deposit Agreement, which states that as soon as practicable after the Termination, the Depositary will attempt to sell the then-remaining securities held under the Deposit Agreement. Net proceeds of such sales will be held in trust for the pro rata benefit of the ADR holders.

On July 19, 2024, the National Securities Clearing Corporation (“NSCC”) no longer accepted ASLN exercise and assignment activity for settlement. As a result, all exercise and assignment activity for ASLN options since July 19, 2024 has been subject to broker to broker settlement (See OCC Information Memo #54909).

Effective with exercises on the Termination Date of October 24, 2024, and thereafter, all ASLN exercise and assignment activity will be subject to delayed settlement, pending the determination of the cash proceeds paid per ASLN ADR, less fees and withholdings, if any.

ASLN exercise and assignment activity from July 19, 2024, through October 23, 2024, will remain subject to broker to broker settlement.

Exercise Consideration - At the time of the contract adjustment, the deliverable for adjusted ASLN options will be 100 x the net cash proceeds received per ASLN ADS, less applicable fees and withholdings, if any. ASLN call option holders who wish to receive the ADSs, and who do not wish to receive the cash proceeds from the sale of ADSs, should exercise their options in sufficient time. In all cases, it is the sole responsibility of persons holding call options seeking to receive the underlying securities to determine when to exercise their options.

Contract Adjustment

The option symbol ASLN will not change.
