

Date: December 05, 2024

Subject: Marathon Oil Corporation - Cash In Lieu Settlement
Option Symbols: COP1/2COP1

Marathon Oil Corporation options were adjusted on November 22, 2024 (See OCC Information Memo #55593). The new deliverable became 1) 25 ConocoPhillips (COP) Common Shares, and 2) Cash in lieu of 0.5 fractional COP Common Shares. Only settlement of the cash portion of COP1/2COP1 options exercise/assignment activity was subject to delayed settlement.

OCC has been informed that a price of \$113.1311 per whole COP share will be used to determine the cash in lieu amount. Accordingly, the cash in lieu amount is:

$$0.5 \times \$113.1311 = \$56.57 \text{ per COP1/2COP1 Contract}$$

Now that the exact cash in lieu amount has been determined, OCC will require Put exercisers and Call assignees, during the period of November 22, 2024 through December 05, 2024, to deliver the appropriate cash amount.

The cash in lieu of fractional share portion of the option deliverable remains fixed and does not vary with price changes of any security.

Terms of the COP1/2COP1 options are as follows:

New Deliverable

Per Contract: 1) 25 ConocoPhillips (COP) Common Shares
2) \$56.57 Cash

Strike Prices: Unchanged

CUSIP: COP: 20825C104

Multiplier: 100 (i.e., a premium of 1.50 yields \$150)

Settlement

The COP component of COP1/2COP1 exercise/assignment activity from November 22, 2024 through December 4, 2024, have settled through National Security Clearing Corporation (NSCC). The \$56.57 cash amount will be settled by OCC.

Pricing

The underlying price for COP1/2COP1 will be determined as follows:

$$\text{COP1} = 0.25 (\text{COP}) + 0.5657$$

For example, if COP closes at 103.51, the COP1/2COP1 price would be calculated as follows:

$$\text{COP1} = 0.25 (103.51) + 0.5657 = 26.44$$

Disclaimer

This Information Memo provides an unofficial summary of the terms of corporate events affecting listed options or futures prepared for the convenience of market participants. OCC accepts no responsibility for the accuracy or completeness of the summary, particularly for information which may be relevant to investment decisions. Option or futures investors should independently ascertain and evaluate all information concerning this corporate event(s).

The determination to adjust options and the nature of any adjustment is made by OCC pursuant to OCC By-Laws, Article VI, Sections 11 and 11A. The determination to adjust futures and the nature of any adjustment is made by OCC pursuant to OCC By-Laws, Article XII, Sections 3, 4, or 4A, as applicable. For both options and futures, each adjustment decision is made on a case by case basis. Adjustment decisions are based on information available at the time and are subject to change as additional information becomes available or if there are material changes to the terms of the corporate event(s) occasioning the adjustment.
