Date: January 17, 2025

Subject: GOEV1 Options - Expiration Pricing Consideration

GOEV1 (adjusted Canoo Inc. options) will be subject to special pricing consideration in expiration processing on January 17, 2025. The pricing consideration is due to the undetermined cash in lieu of fractional shares amount included in the option deliverable of GOEV1 as indicated below. These options will continue to be subject to normal exercise based on customary exercise thresholds in OCC's Ex-by-Ex processing.

MEMBERS SHOULD ADVISE THEIR CUSTOMERS TO TAKE THE FOLLOWING CONSIDERATIONS INTO ACCOUNT IN DECIDING TO EXERCISE, OR NOT TO EXERCISE, THESE OPTIONS.

GOEV1

GOEV1 options are adjusted Canoo Inc. options, adjusted December 24, 2024 (see OCC Information Memo #55765). The deliverable of GOEV1 options is:

NEW DELIVERABLE

PER CONTRACT: 1) Cash in lieu of 0.2 fractional GOEV Shares
 2) \$1.06 Cash

As of January 17, 2025, the GOEV Exchange Agent has not determined the price to be used to determine the cash in lieu amount.

For purposes of calculating a GOEV1 price for use in expiration processing, OCC will use the following formula:

$$\text{GOEV1} = 0.002 (\text{GOEV}) + 0.0106$$

For example, if GOEV closes at 1.51, the GOEV1 price would be:

$$\text{GOEV1} = 0.002 (1.51) + 0.0106 = 0.01$$

This formula includes an estimate for the value of the cash in lieu amount and not the actual amount applicable in the reverse split.

ALL CLEARING MEMBERS ARE REQUESTED TO IMMEDIATELY ADVISE ALL BRANCH OFFICES AND CORRESPONDENTS ON THE ABOVE.
