#56421

Date: April 21, 2025

Subject: Clearing Member Testing - Short-Dated Option Model Enhancements

On April 02, 2025, OCC communicated the planned release of SDO Enhancements for external parallel testing by April 21, 2025 via Memo [#56308](#).

The release for external parallel testing is delayed and OCC will provide further updates and information on the next release date in a subsequent memo.
