Subject: Walgreens Boots Alliance, Inc. – Anticipated Cash Settlement
Option Symbol: WBA
Date: ???

On July 11, 2025, Shareholders of Walgreens Boots Alliance, Inc. (WBA) will vote concerning the proposed merger with a wholly owned subsidiary of Blazing Star Parent, LLC, which are both affiliates of Sycamore Partners Management, L.P. If the merger is approved and consummated, each existing WBA Common Share will be converted into the right to receive \$11.45 cash plus one non-transferable Divested Asset Proceed Right (“DAP Rights”).

Note: The DAP Rights represent a non-transferable contingent right to receive net proceeds up to \$3.00 as described in the WBA Proxy Statement dated June 6, 2025. The adjusted WBA option deliverable will not include the non-transferable DAP Rights.

Exercise Considerations – WBA options will not call for delivery of the DAP Rights. Call option holders who wish to receive the DAP Rights should exercise their options in sufficient time in advance of the contract adjustment. In all cases, it is the sole responsibility of persons holding call options seeking to receive the underlying securities to determine when to exercise their options.

Contract Adjustment

Date: Effective the opening of the business day after the merger is consummated. Contract adjustment is expected to occur in the third or fourth quarter of the calendar year 2025.

New Deliverable
Per Contract: \$1,145.00 Cash (\$11.45 x 100)

Settlement in WBA options will take place through OCC’s cash settlement system. Settlement will be accomplished by payment of the difference between the extended strike amount and the cash deliverable.

Acceleration of Expirations

Pursuant to OCC Rule 807, equity stock option contracts whose deliverables are adjusted to call for cash-only delivery will be subject to **an acceleration of the expiration dates for outstanding option series** (See OCC Information Memo 23988).
