* * * Update * * *

On June 7, 2024, BlackRock, Inc. announced that it will terminate and subsequently liquidate the iShares Virtual Work and Life Multisector ETF (IWFH). The fund ceased trading after market close on August 12, 2024.

An initial distribution was made to shareholders in the amount of \$14.411074 per IWFH share on August 15, 2024. At the time, OCC was informed that there may be additional distributions, so IWFH options were delayed until the total amount of cash paid in the liquidation could be confirmed.

OCC has been informed that there will be no additional payments.

Contract Adjustment

The option symbol IWFH will not change.

Date: August 15, 2024

New Deliverable
Per Contract: \$1,441.11 Cash (\$14.411074 x 100)

IWFH options, which were subject to delayed settlement from August 13, 2024 through August 22, 2025, will no longer be subject to delayed settlement, effective August 25, 2025.

Settlement in IWFH options will take place through OCC's cash settlement system. Settlement will be accomplished by payment of the difference between the extended strike amount and the cash deliverable.
