Subject: Acceleration of Expirations/October 2025 Expiration

Pursuant to OCC Rule 807, equity stock option contracts whose deliverables are adjusted to call for cash-only delivery will be subject to **an acceleration of the expiration dates for outstanding option series**. Additionally, **the exercise by exception (“ex by ex”) threshold for expiring series will be \$.01 in all account types for all expiration months of the adjusted options subject to accelerated expiration**.

As indicated below, a number of equity options that have been adjusted for cash-only delivery will have their series expiration dates advanced to **October 17, 2025**. These series will utilize the \$.01 exercise threshold.
