

Date: March 16, 2026

Subject: Adjusted Tradr 2X Long APP Daily ETF - Cash In Lieu Settlement
Adjusted Option Symbol: APPX1

Adjusted Tradr 2X Long APP Daily ETF options were adjusted on March 10, 2026 (See OCC Information Memo #58508). The new deliverable became 1) 33 Tradr 2X Long APP Daily ETF (APPX) Shares and 2) Cash in lieu of approximately 0.3333 fractional APPX Shares. Only settlement of the cash portion of APPX1 options exercise/assignment activity was subject to delayed settlement.

OCC has been informed that a price of \$40.6837 per whole APPX share will be used to determine the cash in lieu amount at a rate of 0.3333. Accordingly, the cash in lieu amount is:

$$0.3333 \times \$40.6837 = \$13.56 \text{ per APPX1 Contract}$$

Now that the exact cash in lieu amount has been determined, OCC will require Put exercisers and Call assignees, during the period of March 10, 2026 through March 16, 2026, to deliver the appropriate cash amount.

The cash in lieu of fractional share portion of the option deliverable remains fixed and does not vary with price changes of any security.

Terms of the APPX1 options are as follows:

New Deliverable

Per Contract: 1) 33 Tradr 2X Long APP Daily ETF (APPX) Shares
2) \$13.56 Cash

Strike Prices: Unchanged

CUSIP: APPX: 46152A536

Multiplier: 100 (i.e., a premium of 1.50 yields \$150)

Settlement

The APPX component of APPX1 exercise/assignment activity from March 10, 2026 through March 13, 2026, has settled through National Security Clearing Corporation (NSCC). The \$13.56 cash amount will be settled by OCC.

Pricing

The underlying price for APPX1 will be determined as follows:

$$\text{APPX1} = 0.33 (\text{APPX}) + 0.1356$$

For example, if APPX closes at 37.35, the APPX1 price would be calculated as follows:

$$\text{APPX1} = 0.33 (37.35) + 0.1356 = 12.46$$

Disclaimer

This Information Memo provides an unofficial summary of the terms of corporate events affecting listed options or futures prepared for the convenience of market participants. OCC accepts no responsibility for the accuracy or completeness of the summary, particularly for information which may be relevant to investment decisions. Option or futures investors should independently ascertain and evaluate all information concerning this corporate event(s).

The determination to adjust options and futures and the nature of any adjustment is made by OCC pursuant to Chapter 28 (XXVIII) of OCC's Rules. For both options and futures, each adjustment decision is made on a case by case basis. Adjustment decisions are based on information available at the time and are subject to change as additional information becomes available or if there are material changes to the terms of the corporate event(s) occasioning the adjustment.
