Date: April 07, 2026

Subject: Luminar Technologies, Inc. - Contract Adjustment/Acceleration of Expirations
Option Symbol: LAZRQ
Date: 04/07/2026

On April 3, 2026, the Bankruptcy Court for the Southern District of Texas Houston Division confirmed the Fourth Amended Chapter 11 Plan of Liquidation of Luminar Technologies, Inc. (LAZRQ) ("Plan"). The Plan became effective on April 6, 2026, and LAZRQ shares were canceled on April 7, 2026.

Contract Adjustment

Effective April 7, 2026, existing LAZRQ options are adjusted to no longer call for the delivery of LAZRQ shares upon exercise.

The option symbol LAZRQ will not change.

In settlement of LAZRQ exercise/assignment activity, an LAZRQ put exerciser (or call assignee) will receive a cash payment of the full aggregate strike price amount on the exercise settlement date. An LAZRQ put assignee (or call exercise) will pay this amount on the exercise settlement date. Settlement will take place through OCC's cash settlement system on the business day after exercise.

Since LAZRQ options are American-style, they are exercisable at the election of the holder. Expiration processing for LAZRQ options will take place in the normal fashion, including automatic exercise thresholds.

Acceleration of Expirations

Pursuant to OCC Rule 807, equity stock option contracts whose deliverables are adjusted to call for cash-only delivery will be subject to an acceleration of the expiration dates for outstanding option series. (See OCC Information Memo 23707) Additionally, the exercise by exception (ex by ex) threshold for expiring series will be \$.01 in all account types.

All series of Luminar Technologies, Inc. options whose expiration dates are after 04-17-2026 will have their expiration dates advanced to 04-17-2026. Expiration dates occurring before 04-17-2026 (e.g., Flex options) will remain unchanged.

All Luminar Technologies, Inc. options will utilize a \$.01 exercise threshold.

Option Symbol: LAZRQ
Existing Expiration: All months

New expiration date: 04-17-2026

Existing American-style Luminar Technologies, Inc. options remain exercisable at the option of the holder prior to their expiration. Exercised options will continue to settle in one business day.

Disclaimer

This Information Memo provides an unofficial summary of the terms of corporate events affecting listed options or futures prepared for the convenience of market participants. OCC accepts no responsibility for the accuracy or completeness of the summary, particularly for information which may be relevant to investment decisions. Option or futures investors should independently ascertain and evaluate all information concerning this corporate event(s).

The determination to adjust options and futures and the nature of any adjustment is made by OCC pursuant to Chapter 28 (XXVIII) of OCC's Rules. For both options and futures, each adjustment decision is made on a case by case basis. Adjustment decisions are based on information available at the time and are subject to change as additional information becomes available or if there are material changes to the terms of the corporate event(s) occasioning the adjustment.
