**Date:** April 10, 2026

**Subject:** Cenntro Inc. - Broker-To-Broker Settlement/Exercise Considerations  
Option Symbol: CENN

Effective April 10, 2026, the National Securities Clearing Corporation (“NSCC”) will no longer accept CENN exercise and assignment activity for settlement. **As a result, all exercise and assignment activity for CENN options beginning April 10, 2026 will be subject to broker to broker settlement.** It is unknown if and when CENN shares will be eligible for settlement through NSCC again.

The deliverable for CENN options contracts will remain the underlying 100 Cenntro Inc. Common Shares.

### **No Exercise Restrictions**

OCC has determined not to impose any exercise restrictions with respect to CENN options. Therefore, OCC will continue to accept and process exercise instructions in accordance with its Rules and as further described below. Because OCC has been informed NSCC will not accept exercise/assignment transactions involving CENN for settlement, such settlement will be effected as follows.

### **Broker-to-Broker Settlement**

Pursuant to OCC By-Law Article VI, Section 19, OCC has determined that, effective with exercises of April 10, 2026 and thereafter, all CENN exercise and assignment activity shall settle on a broker-to-broker basis. The deliverable for CENN options contracts will remain 100 CENN Shares. If it is not possible for the delivering Clearing Member to effect delivery of the CENN shares on the designated settlement date, then the settlement obligations of both delivering and receiving Members shall be delayed until such time as OCC designates a new exercise settlement date, settlement method and/or settlement value. This determination allows delivering Members the opportunity to effect settlement if they have CENN shares and are able to effect delivery, but delays the settlement obligation when this is not possible. Both the delivering and receiving Clearing Members are required to immediately notify OCC if they are unable to effect settlement.

In determining that delivery of the CENN shares is in fact not possible in respect of a given exercise or assignment, OCC shall require an appropriate officer(s) of the delivering Clearing Member to represent in writing that delivery is not possible. (Upon exercise or assignment of CENN options, OCC will contact each delivering Clearing Member to provide the specific requirements and procedures for such representation.)

Pursuant to customary OCC broker to broker settlement procedures, inability to effect delivery may subsequently occasion cash settlement as determined by OCC.

**OCC may also consider other alternate methods of settlement such as requiring a buy-in of shares by the receiving clearing member pursuant to OCC Rules.**

### **Broker-to-Broker Delivery Advice/Settlement Procedures**

Clearing Members should note that CENN exercise and assignment activity will be reported on the **Broker-to-Broker Delivery Advice**, which is a separate report from the regular Delivery Advice. Members will need to refer to this report each day to be informed of CENN exercise/assignment activity. The Broker-to-Broker Delivery Advice will also identify the opposite side Clearing Member with whom settlement is to be made. **Members are responsible for contacting the opposite side on all CENN activity and for making arrangements for settlement. Both delivering and receiving Members are also reminded of their obligation to inform OCC when settlement is made.** OCC will continue to margin CENN exercise/assignment activity until settlement is accomplished.
