

Date: June 17, 2026

Subject: Thermon Group Holdings, Inc. – Cash In Lieu Settlement
Adjusted Option Symbol: CECO1

Thermon Group Holdings, Inc. options were adjusted on June 1, 2026 (See OCC Information Memo #59073). The new deliverable became 1) 68 CECO Environmental Corporation (CECO) Common Shares, 2) Cash in lieu of 0.4 fractional CECO shares, and 3) \$1,000.00 Cash. Only settlement of the cash portion of CECO1 options exercise/assignment activity was subject to delayed settlement.

OCC has been informed that a price of \$83.32 per whole CECO share will be used to determine the cash in lieu amount. Accordingly, the cash in lieu amount is:

$$0.4 \times \$83.32 = \$33.33 \text{ per CECO1 Contract}$$

Now that the exact cash in lieu amount has been determined, OCC will require Put exercisers and Call assignees, during the period of June 1, 2026 through June 17, 2026, to deliver the appropriate cash amount.

The cash in lieu of fractional share portion of the option deliverable remains fixed and does not vary with price changes of any security.

Terms of the CECO1 options are as follows:

New Deliverable

Per Contract: 1) 68 CECO Environmental Corporation (CECO) Common Shares
2) \$1,033.33 Cash (\$1,000.00 + \$33.33)

Strike Prices: Unchanged

CUSIP: CECO: 125141101

Multiplier: 100 (i.e., a premium of 1.50 yields \$150)

Settlement

The CECO component of CECO1 exercise/assignment activity from June 1, 2026 through June 16, 2026, has settled through National Security Clearing Corporation (NSCC). The \$1,033.33 cash amount will be settled by OCC.

Pricing

The underlying price for CECO1 will be determined as follows:

$$\text{CECO1} = 0.68 (\text{CECO}) + 10.3333$$

For example, if CECO closes at 92.55, the CECO1 price would be calculated as follows:

$$\text{CECO1} = 0.68 (92.55) + 10.3333 = 73.27$$

Disclaimer

This Information Memo provides an unofficial summary of the terms of corporate events affecting listed options or futures prepared for the convenience of market participants. OCC accepts no responsibility for the accuracy or completeness of the summary, particularly for information which may be relevant to investment decisions. Option or futures investors should independently ascertain and evaluate all information concerning this corporate event(s).

The determination to adjust options and futures and the nature of any adjustment is made by OCC pursuant to Chapter 28 (XXVIII) of OCC's Rules. For both options and futures, each adjustment decision is made on a case by case basis. Adjustment decisions are based on information available at the time and are subject to change as additional information becomes available or if there are material changes to the terms of the corporate event(s) occasioning the adjustment.
