Subject: Ocean Power Technologies Inc. - Broker-To-Broker
Settlement/Exercise Considerations
Option Symbol: OPTT

Effective September 11, 2026, the National Securities Clearing Corporation ("NSCC") will no longer accept OPTT exercise and assignment activity for settlement. **As a result, all exercise and assignment activity for OPTT options beginning September 11, 2026 will be subject to broker to broker settlement.** It is unknown if and when OPTT shares will be eligible for settlement through NSCC again.

The deliverable for OPTT options contracts will remain the underlying 100 Ocean Power Technologies Inc. Common Shares.

No Exercise Restrictions

OCC has determined not to impose any exercise restrictions with respect to OPTT options. Therefore, OCC will continue to accept and process exercise instructions in accordance with its Rules and as further described below. Because OCC has been informed NSCC will not accept exercise/assignment transactions involving OPTT for settlement, such settlement will be effected as follows.

Broker-to-Broker Settlement

Pursuant to OCC By-Law Article VI, Section 19, OCC has determined that, effective with exercises of September 11, 2026 and thereafter, all OPTT exercise and assignment activity shall settle on a broker-to-broker basis. The deliverable for OPTT options contracts will remain 100 OPTT Shares. If it is not possible for the delivering Clearing Member to effect delivery of the OPTT shares on the designated settlement date, then the settlement obligations of both delivering and receiving Members shall be delayed until such time as OCC designates a new exercise settlement date, settlement method and/or settlement value. This determination allows delivering Members the opportunity to effect settlement if they have OPTT shares and are able to effect delivery, but delays the settlement obligation when this is not possible. Both the delivering and receiving Clearing Members are required to immediately notify OCC if they are unable to effect settlement.

In determining that delivery of the OPTT shares is in fact not possible in respect of a given exercise or assignment, OCC shall require an appropriate officer(s) of the delivering Clearing Member to represent in writing that delivery is not possible. (Upon exercise or assignment of OPTT options, OCC will contact each delivering Clearing Member to provide the specific requirements and procedures for such representation.)

Pursuant to customary OCC broker to broker settlement procedures, inability to effect delivery May subsequently occasion cash settlement as determined by OCC.

OCC May also consider other alternate methods of settlement such as requiring a buy-in of shares by the receiving clearing member pursuant to OCC Rules.

Broker-to-Broker Delivery Advice/Settlement Procedures

Clearing Members should note that OPTT exercise and assignment activity will be reported on the **Broker-to-Broker Delivery Advice**, which is a separate report from the regular Delivery Advice. Members will need to refer to this report each day to be informed of OPTT exercise/assignment activity. The Broker-to-Broker Delivery Advice will also identify the opposite side Clearing Member with whom settlement is to be made. **Members are responsible for contacting the opposite side on all OPTT activity and for making arrangements for settlement. Both delivering and receiving Members are also reminded of their obligation to inform OCC when settlement is made.** OCC will continue to margin OPTT exercise/assignment activity until settlement is accomplished.
