**Date:** October 26, 2026

**Subject:** Tradr 2X Long SK hynix Daily ETF - Anticipated Liquidation/ Anticipated Cash Settlement
Option Symbol: SKHA
Date: ???

On October 20, 2026, Investment Managers Series Trust II announced that it will terminate and subsequently liquidate the Tradr 2X Long SK hynix Daily ETF (SKHA). The last day of trading of SKHA shares on Cboe BZX Exchange, Inc. will be November 5, 2026.

On or about November 12, 2026 (the "Liquidation Date"), SKHA will cease operations, liquidate its assets, and prepare to distribute proceeds to shareholders of record as of the Liquidation Date. Shareholders of record on the Liquidation Date will receive cash at the net asset value of their shares as of such date.

Contract Adjustment

**The option symbol SKHA will not change.**

**Date:** Anticipated to occur on or about November 12, 2026

**New Deliverable Per Contract:** 100 x the net asset value per SKHA share, less any applicable transaction costs, pursuant to the liquidation.

Note: The determination to include any distributions, if any, in the contract adjustment will be made by OCC on a case-by-case basis.

**Settlement**: SKHA exercise and assignment activity will be subject to delayed settlement, effective November 6, 2026, until the amount of cash paid per SKHA share in the liquidation is determined.

Once the final cash amount to be included in the SKHA deliverable is determined, settlement in the SKHA options will take place through OCC's cash settlement system. Settlement will be accomplished by payment of the difference between the extended strike amount and the cash deliverable.

Acceleration of Expirations

Pursuant to OCC Rule 807, equity stock option contracts whose deliverables are adjusted to call for cash-only delivery will be subject to **an acceleration of the expiration dates for outstanding option series** (See OCC Information Memo 23988).
