Subject: Fidelity Disruptive Medicine ETF - Anticipated Liquidation/Anticipated Cash Settlement
Option Symbol: FMED
Date: ???

On October 14, 2026, Fidelity Investments announced that it will terminate and subsequently liquidate the Fidelity Disruptive Medicine ETF (FMED). The last day of trading for FMED shares on Nasdaq will be November 12, 2026.

During the time between market close on November 12, 2026, and November 19, 2026 (the "Liquidation Date"), shareholders will be unable to dispose of their shares on Nasdaq, and there may not be a trading market for FMED shares. Each shareholder of record of FMED on the Liquidation Date will receive proceeds equal to the aggregate net asset value of their full and fractional shares at the time of liquidation.

Contract Adjustment

The option symbol FMED will not change.

Date: Anticipated to occur on or about November 19, 2026

New Deliverable Per Contract: 100 x the net asset value per FMED share, less any applicable transaction costs, pursuant to the liquidation.

Note: The determination to include any distributions, if any, in the contract adjustment will be made by OCC on a case-by-case basis.

Settlement: FMED exercise and assignment activity will be subject to delayed settlement, effective November 13, 2026, until the amount of cash paid per FMED share in the liquidation is determined.

Once the final cash amount to be included in the FMED deliverable is determined, settlement in the FMED options will take place through OCC’s cash settlement system. Settlement will be accomplished by payment of the difference between the extended strike amount and the cash deliverable.

Acceleration of Expirations

Pursuant to OCC Rule 807, equity stock option contracts whose deliverables are adjusted to call for cash-only delivery will be subject to **an acceleration of the expiration dates for outstanding option series** (See OCC Information Memo 23988).
