THE FOUNDATION FOR SECURE MARKETS®

#60226

Date: November 16, 2026

Subject: Adjusted Accuray Incorporated – Cash In Lieu Settlement
Adjusted Option Symbol: ARAY1

Adjusted Accuray Incorporated options were adjusted on November 9, 2026 (See OCC Information Memo #60149). The new deliverable became 1) 2 Accuray Incorporated (ARAY) Common Shares 2) Cash in lieu of 0.5 fractional ARAY Shares. Only settlement of the cash portion of ARAY1 options exercise/assignment activity was subject to delayed settlement.

OCC has been informed that a price of $4.40 per whole ARAY share will be used to determine the cash in lieu amount. Accordingly, the cash in lieu amount is:

0.5 x $4.40 = $2.20 per ARAY1 Contract

Now that the exact cash in lieu amount has been determined, OCC will require Put exercisers and Call assignees, during the period of November 9, 2026 through November 16, 2026, to deliver the appropriate cash amount.

The cash in lieu of fractional share portion of the option deliverable remains fixed and does not vary with price changes of any security.

Terms of the ARAY1 options are as follows:

New Deliverable Per Contract:	1) 2 Accuray Incorporated (ARAY) Common Shares 2) $2.20 Cash
Strike Prices:	Unchanged
CUSIP:	ARAY: 004397303
Multiplier:	100 (i.e., a premium of 1.50 yields $150)

Settlement

The ARAY component of ARAY1 exercise/assignment activity from November 9, 2026 through November 13, 2026, has settled through National Security Clearing Corporation (NSCC). The $2.20 cash amount will be settled by OCC.

Pricing

The underlying price for ARAY1 will be determined as follows:

ARAY1 = 0.02 (ARAY) + 0.0220

For example, if ARAY closes at 2.80, the ARAY1 price would be calculated as follows:

ARAY1 = 0.02 (2.80) + 0.0220 = 0.08

Disclaimer

This Information Memo provides an unofficial summary of the terms of corporate events affecting listed options or futures prepared for the convenience of market participants. OCC accepts no responsibility for the accuracy or completeness of the summary, particularly for information which may be relevant to investment decisions. Option or futures investors should independently ascertain and evaluate all information concerning this corporate event(s).

The determination to adjust options and futures and the nature of any adjustment is made by OCC pursuant to Chapter 28 (XXVIII) of OCC's Rules. For both options and futures, each adjustment decision is made on a case by case basis. Adjustment decisions are based on information available at the time and are subject to change as additional information becomes available or if there are material changes to the terms of the corporate event(s) occasioning the adjustment.
